ALL PLAYERS supplying Personal Data to the League **MUST** be aware that the League is under a lawful obligation to hold and consider sharing such data in compliance with the **League’s Policy** on the **General Data Protection Regulations**. A copy of this Policy has been sent to your Club Secretary and the Policy can be viewed on the League website (www.lincolnsundayleague.com) under the heading “Admin/Forms” and then “download”. By providing your data and by signing this form it is the **individual player’s responsibility** to know the implications of what the League require this data for, how the League will store it, and how they may share it.
